The City of Riverside Public Utilities Department

Career Opportunities

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 440 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.

The Position

This position will perform supervisory and/or lead supervisory professional, technical, analytical and related duties in the areas of accounting, budget administration and financial and economic forecasting. Receives general direction from the Utilities Finance/Rates Manager. Typical duties may include overseeing the work of assigned staff; train employees on work methods and procedures, financial planning and supervisory direction over professional, paraprofessional and administrative support staff as assigned. Involves participation in the development of policies and procedures to improve the Public Utilities Department's financial and administrative operations, including the developing of section goals, objectives, policies and priorities. Provides highly technical expertise in the areas of budget administration, financial planning, and cost of service, rate design and economic analysis.

Benefits

Employees of the City of Riverside are eligible to receive a comprehensive benefit package consisting of Medical and Dental prepaid plans. Additional benefits can include:

- Educational Reimbursement Plan
- Training Opportunities
- Sick Leave
- Vacation Time
- Two Deferred Compensation Plans
- A Flexible Spending Plan For Out-Of-Pocket Expenses
- Life Insurance
- Long Term Disability Insurance
- Vision Coverage
- Dependent Care Options

- 11 Paid Holidays
- Public Employees Retirement System
2.7% @ 55-Years-Old

For a complete listing of the many benefits available to City of Riverside employees check out our Web site at: www.riversideca.gov Click on Human Resources.

Riverside Public Utilities operates in a dynamic, historic community that offers its residents a wide selection of things to do. Whether it's a visit to the renown Mission Inn, or the City's numerous parks and museums, there's plenty to choose from. The city is also an important financial and judicial center in the Inland Empire, with a large and diverse economy that has the largest number of jobs and businesses within the region.

Educational Requirements

Education

Graduation with a Bachelor's Degree from an accredited college or university with major work in accounting or business administration. A Certificated Public Accountant licensure is highly desirable.

Experience

Six years of responsible experience in governmental or commercial accounting and/or auditing with a Utility is preferred. One year of supervisory experience is beneficial.

What some of our employees have to say...

"If you want a challenging and a rewarding career in the utility industry with many opportunities for advancement, Riverside Public Utilities offers it all. We're located in the City of Riverside, California one of the fastest growing cities in the nation, an area that's a toasty 69 degrees Fahrenheit in the winter!"

Cesar Ancheta

Interim Principal Engineer

"As a 20-year employee of the City of Riverside Public Utilities, I have seen the utilities grow to meet the continuous demands of the community. I have also been fortunate enough to take advantage of the city's educational program and have been given many opportunities to advance in my career. The City of Riverside Public Utilities is a wonderful place to work."

Rita Nicks

Customer Service Supervisor

"I've been working for RPU for over 15 years and it's been a great opportunity. The job is very satisfying and it's a good place to work. These are great people to work for and great people to work with."

Lee Sheppard

Power line Technician
